CAPABILITY STATEMENT / FISCAL YEAR 2026

Mission assurance for the *next* decade of federal IT, security, and compliance.

CYBERSECURITY / PROGRAM MGMT / CONTINUITY / CLOUD / POLICY / HUD & LIHTC

01 / CORE COMPETENCIES

SIX SERVICE LINES •

/ CYBER

Cybersecurity & Risk Mgmt

GRC, vulnerability assessment, incident response, and continuous monitoring aligned to NIST 800-53, FISMA, and FedRAMP.

/ COOP

Continuity & Emergency

COOP planning, disaster recovery, ICS/NIMS coordination, and exercise design for mission resilience.

/ POLICY

Policy & Strategic Analysis

Cyber and space policy, DoD/Army IT policy development, and interagency coordination support.

/ PMO

Program & Project Mgmt

PMO support, acquisition lifecycle, portfolio oversight, and Lean Six Sigma execution against federal standards.

/ CLOUD

IT Modernization & Cloud

Enterprise IT strategy, secure system architecture, cloud migration, and Zero Trust modernization.

/ HOUSING

Affordable Housing Services

HUD, HCV, LIHTC, HOME, and PBV — Administrative Plan reform, HOTMA/NSPIRE implementation, SOP design, and audit readiness.

03 / DIFFERENTIATORS

WHY NOVAGUARD •

TS/SCI

CLEARANCE • ACTIVE

Cleared for classified mission environments — day one.

/ 01 20+ Years Federal Leadership

Senior delivery experience across U.S. Army, OSD, DHS, and U.S. Coast Guard programs.

PROVEN

/ 02 Veteran-Owned & Agile

SDVOSB structure with mission-first leadership and small-business responsiveness.

SDVOSB

/ 03 Disciplined, Low-Risk Delivery

Rapid stand-up of cleared talent with PMI and Lean Six Sigma controls on niche, high-stakes work.

LOW RISK

02 / FLAGSHIP PLATFORM

PROPRIETARY IP •

NOVACOMPLY™ / COMPLIANCE INTELLIGENCE

Purpose-built for HUD & affordable housing.

SECTOR
AFFORDABLE
HOUSING
FOOTPRINT
MULTI-STATE

A proprietary compliance intelligence platform for public housing agencies, owners, and HFA monitors. NovaComply translates HCV, PBV, HUD Multifamily, and LIHTC requirements into plain-language guidance, gap detection, and audit-ready evidence — anchored by a six-tier authority hierarchy from federal statute to local PHA SOPs.

ENGINE • **Praxis™** — the unified compliance intelligence engine driving rule mapping, structured analysis, and audit-prep workflows beneath the NovaComply experience.

- ▶ HOTMA / NSPIRE workflow design
- ▶ Administrative Plan modernization
- ▶ SOP & QC design
- ▶ Dashboards & technical assistance
- ▶ Audit readiness
- ▶ Stakeholder briefings & training

04 / PAST PERFORMANCE

SELECT ENGAGEMENTS •

U.S. Army (G-2)

JWICS SLA development & management, IT portfolio oversight, and cyber modernization in classified environments.

CLASSIFIED • OPS

Office of the Sec. of Defense

Cyber and space policy support; DSCA coordination across NASA, FBI, and U.S. Space Force partners.

POLICY • OSD

Federal Enterprise IT

Cisco Enterprise License Agreement (ELA) development and lifecycle management for a federal customer.

ELA • LIFECYCLE

U.S. Coast Guard

Emergency Operations Centers, COOP planning, and national maritime domain awareness support.

24/7 • OPS
